

Positive Behaviour for Learning (PBL)

To begin the term all students have been focusing on keeping their hands, feet and objects to themselves. Ensuring that themselves and all students at Fitzgerald feel safe.

For the following fortnight students will be focusing on following adult instructions. When students are seen following instructions, they will be given a Gerald Star.

Conversations will be had at school regarding the importance of following instructions given by all adults in the school, please have these conversations at home also.

In Weeks 3-4

'I do as I'm told, I'm going for gold!'
