- Arrival time – 5:15pm or as advised by your class teacher, concert starts at 6:00pm sharp. Please be mindful that you will need to wait for the teachers before leaving the students in their waiting areas.
- There will be designated areas to drop your child off at the theatre with their class group (there will be some signs to help with this).

**The students will then be escorted by their teachers to the backstage area.** The students will be watching the other students perform on big screens in the backstage area – and will remain in the backstage area until the conclusion of the evening.

- Please send along a water bottle with your student.
- Your child can be picked up from where they were dropped off at the beginning of the night, at the end of the concert.
- **To ensure the safety of all students**, parents and caregivers will only be able to collect the students from these designated areas at the end of the show.
- When collecting students, please ensure to let the teacher know before leaving.

A separate note for students performing in CAID (Cultural Arts in Dance) and Wakakirri has been sent home with more information about drop off and pick up times and places.
